U.S. Church Regulations for Fasting:

Ash Wednesday and Good Friday are obligatory days of fasting and abstinence from meat for Catholics. In addition, Fridays during Lent are obligatory days of abstinence from meat.

The norms on fasting are obligatory from age 18 until 59. When fasting, a person is permitted to eat one full meal, as well as two smaller meals that together are not equal to a full meal. The norms concerning abstinence from meat are binding from age 14 onwards.

The church recognizes that there are chronically or seriously ill individuals who cannot fast or abstain. The church still calls for these individuals to participate in acts of penance and works of charity. These can be performed throughout the week; however, it is especially appropriate that these acts be performed on Fridays in place of the Friday fast.

"Everyone who drinks this water will be thirsty again." JOHN 4:13

Jesus reminds us that material things, even something as basic as water, can never satisfy us over the long run. When we build our lives around material possessions we will always want more and no amount will ever satisfy our desire. True joy and peace only comes when we follow Jesus - when we become more
